

O Parent of parents and Friend of all friends,  
send your Spirit into each of us now  
to recreate your world.  
Let the light of Mary Ward's vision grow  
Let the springs of her hope spread in affection  
and in the freedom to refer all to God.  
We ask this through Christ our Lord. Amen.

We pray with each other around our world

*O Parent of parents and Friend of all friends,  
we come to you with love and hope,  
on this anniversary of reunion.*

*Send your Spirit among us,  
that we may be women of vision and courage,  
graced with an attitude of openness to  
whatever God asks,  
seeking true wisdom and a sincere desire  
that your holy will be ever accomplished.  
Amen.*

*Women bearing witness,  
bringing hope to the lost and broken;  
Women bearing witness,  
bringing light and life to the world,  
bearing God's own life for the world.*

*Prepare a ritual in your community or cluster and share  
what the 'something new' has been and has meant.*
