

Let us pray

On August 10th **Alicia Carrión Chávez**
in the Peru region made her First Profession. We give thanks to God
for this commitment and hold all members of the region
in our prayers.

September 2014

*General Congregation: Loyola Spain
7th September – 30th September, 2014*

We pray with the Institute

Take time over these days to support the members of the GC by reflecting on the discerning question for yourself or in your community:

When we witness to the Gospel of Jesus, we promote the reign of God; proclaiming the Gospel with bold humility, we commit to a faith that does justice. (Const. 2.3)

1. In what ways is God inviting us, within our Institute reality, to live this prophetic discipleship in the 21st century?
2. What activities, resources, structures will nurture and sustain, release and unblock the fire and passion within us and in others for the *Magis*?

Take time also to pray for the days from the 19th September when the discernment process will begin for the next Institute leadership.

Let us pray together

Spirit of God, giver of life,
moving between us and around us like wind or water or fire
breathe into us your freshness that we may awake,
cleanse our vision that we may see more clearly,
kindle our senses that we feel more sharply
and give us the courage to live as you would have us live.
