That within parishes, priests and lay people may collaborate in service to the community without giving in to the temptation of discouragement.

Let us make room in our lives

“We should not build walls but bridges. Not to close the doors but open them”.

“I make an appeal to parishes, religious communities, monasteries and shrines throughout Europe, [others countries] that they express the Gospel in a concrete way and host a refugee family” (Pope Francis, 06/09/2015)

I AM NOT I

I am this one
Walking beside me whom I do not see,
Whom at times I manage to visit,
And whom at other times I forget;
Who remains calm and silent while I talk,
And forgives, gently, when I hate,
Who walks where I am not
Who will still remain standing when I die.
